Texas Radiological Society Foundation

Supporting the educational and charitable interests of the Texas Radiological Society
For over 100 years, Texas Radiological Society has supported Radiologists with cutting edge training, fellowships, scholarships, and much more. In 2009, the TRS Foundation was formed as an avenue for tax-deductible donations to carry out the educational and charitable interests of the Texas Radiological Society.

We ask that you look into the future with us and consider how you can impact future radiologists, and our community members who benefit from their care, through a gift to the Texas Radiological Society Foundation.

JOIN US – to ensure continued excellence in radiology in Texas well into the future!

Thank you for your generosity,

I. Ray Kirk, M.D.

How can you leave a legacy for TRS?

Gifts Made During Your Lifetime

Cash Donations
Tax-deductible

Real Estate Gift
Avoid capital gains tax and receive an income tax deduction.

Appreciated or Stock Bonds
Buy low and give high! This gift costs less than what it will give back to TRS (thanks to interest), while avoiding capital gains tax.

Gift Annuity
In exchange for your irrevocable gift, TRS will pay you a fixed dollar amount during your lifetime or that of a loved one. Your income is guaranteed and a major portion is a tax deductible.
Gifts Made After Your Death

Life Insurance Gift
Donate a paid-up policy you no longer need.

Retirement Plan Gift
Name TRS as beneficiary of retirement plan and eliminate income tax on retirement plan assets.

Bequest in Will or Living Trust
Costs you nothing out of pocket, and assists with an estate tax deduction.
What is the Legacy Society?

The TRS Legacy Society would like to honor major gifts of $50,000 and above in a special way, as they ensure a significant legacy and a promising future for generations of radiologists in Texas. Your major gift may be commemorated in any number of ways, if you so desire, such as attaching your name to an appropriate lectureship or fellowship. It would be our pleasure to discuss recognition options with you!

TRS Foundation leadership and staff will gladly meet with you to discuss making your legacy a reality!
“The legacy we leave for our society — for future generations of radiologists, radiation oncologists and physicists in Texas — is immeasurable. It is an honor and duty to support the Texas Radiological Society Foundation.”

– Sidney Roberts, MD, FACR, TRS Foundation Board Member
